Dear Mr Pons

Application to offer: HND qualifications in

	Programme No.
Higher National Diploma in Multimedia (Graphic Design)	J8676
Higher National Diploma in Computing (Software Engineering)	J8670
Higher National Diploma in 3D Design	J8701
Higher National Diploma in Media (Moving Image, Journalism and Audio)	J8704

Application to offer: AD qualifications in**Programme No.****Advanced Diploma in IT Practitioners (Software Development)****J8667****Advanced Diploma in Media Production (Moving Images)****J8703****Advanced Diploma in Graphic Design****J8673****Advanced Diploma in 3D Design****J8682**

Thank you for your request to offer the above BTEC qualification. I am pleased to confirm that we have approved your application.

This approval is for intakes of candidates starting from 1st September 2005 and is valid until the date shown on your programme definition. You are authorised to publicise this qualification as approved.

A copy of this letter and the approved programme definition is enclosed. Please ensure that these are distributed to the relevant people, as they contain important administrative information.

As part of an improved service to customers, you have been given approval to offer all the units within the structure of this qualification. However, you must only deliver the units for which you have the appropriate human and physical resources.

An External Examiner (EE) will be appointed to this qualification. The External Examiner will arrange to visit the centre to review the programme in line with both the independent assessment arrangements approved by QCA and the QAA Code of Practice on External Examining.

Please note requests for candidate certification will not be processed until you have received a satisfactory External Examiner report from your EE. The release of certification will be for each cohort of students and will not be authorised until the EE has undertaken two visits and reviewed assessed work from each learner on the programme.

In line with QCAs requirements we ask you to ensure that all assessment records and tracking documentation are up to date and complete before External Examiner visits. All such records should be accessible to the External Examiner and kept for a period of two years from the date of candidate completion.

Please note that as a condition of this approval your centre is required to keep a complete copy of the application documentation that you sent to us. It would be appreciated if this were made available to the External Examiner and any other appropriate Edexcel personnel upon request.

Please contact me on the telephone number listed above if you have any queries on this letter or are interested in details of other qualifications or services that we offer.

Please accept our best wishes for the success of these qualifications at your centre.

Yours sincerely
