Dear David

I am very pleased on behalf of the School of Computing, Engineering and Information Sciences in Northumbria University, CEIS, to confirm the following agreement between the School and Escuela Superior Internacional, ESI.

- 1 This Agreement recognises the intention of ESI and CEIS to work together for their mutual benefit and for the benefit of their students.
- 2 It confirms that CEIS will accept onto the following programmes at appropriate points, students from ESI who have the following qualifications for advanced entry to CEIS's programmes subject to places at Northumbria being available. Specifically, students who successfully complete the Edexcel HND in Computing at ESI will be entitled to enter level six of the BSc (Hons) Applied Computing programme taught in CEIS at Northumbria at Newcastle in the UK subject to:
  - (i) payment of appropriate fees
  - (ii) the normal application process
  - (iii) a standard of written and spoken English which must be at least up to IELTS 6.0 or equivalent
  - (iv) attendance at an induction programme at Northumbria prior to commencing the semester one level six studies
- 3 Students who have registered for and successfully complete the above Northumbria programme will receive the appropriate award, subject to Northumbria receiving payment of the appropriate fees.

This agreement will be superseded by a formal "Letter of recognition" once it has gone through the appropriate quality procedures within the University.
